RECENT OPERATIONS

By Paul Rardin

There aren't words enough in the dictionary and there isn't type big enough in this newspaper office, to fully convey my appreciation to the voters of the Fifth Commissioner's district for the magnificent vote they accorded me Tuesday in my race for re-election as county commissioner. Maybe newspapermen are supposed to be a little tough at times, maybe they are supposed to be able to take in stride whatever comes along, but, Tuesday when the vote came in and it showed this country editor top man in all Glades precincts that well-known lump came up in my throat. It is a compliment that will go with me when I put the cover on this old typewriter for the last time.

I feel that the voters were speaking in no uncertain terms when they came within 62 votes of giving me as many as were tallied up for my two opponents. I deeply appreciate this wonderful vote.

Results call for a run-off between Mr. Pickett and myself. I shall go into the second primary campaign with exactly the same promise that I have been using since that day four years ago when I decided to run for commissioner—that of seeing that the Glades gets its rightful share of road money. That promise and that promise alone will be my full and complete campaign platform. On that platform I earnestly solicit your continued vote and support.

Judge Gledhill Is 75 Years Young

He and his wife have lived in the Glades for many years and have won a group of warm friends who will join this newspaper in wishing the Judge many more happy birthdays.

Mr. and Mrs. Walter Cobbs, Jr., former residents of South Bay before their marriage in Moore Haven on April 14, have moved to Pahokee to make their home.

Leaving the field far behind them the two gentlemen pictured above will run it off in the democratic primary on May 25 to see who succeeds Millard Caldwell as head of Florida's state government. Dr. and Mrs. W. H. Lair Celebrated 50th Wedding Anniversary Wednesday Nite

Dr. and Mrs. W. H. Lair of Pahokee celebrated their 50th wedding anniversary at an open house in the Woman's Club building on Wednesday night from 8 to 10 o'clock, with Mr. and Mrs. J. Marshall Lair and Mr. and Mrs. J. Frank Colson acting as hosts.

The clubhouse was beautifully decorated for the occasion with bouquets of golden yellow roses and carnations and white Easter lilies. The two refreshment tables and guest table were covered with lace spreads and lighted with white and gold tapers in crystal holders. A huge six-tiered wedding cake decorated in white and gold icing and topped with a miniature bride and groom formed the centerpiece for one table and a large cutglass bowl filled with golden punch was at the center of the other.

Mrs. Jess M. Elliott was in charge of the guest book. Mrs. Francis Harlow and Mrs. Dave W. Cunningham served portions of the wedding cake while Mrs. F. M. Shaughnessy and Mrs. Otto Bleech presided at the punch bowl. They were assisted by Mrs. J. R. York, Mrs. W. E. Pope and Mrs. E. L. Pope.

More than 150 friends of Dr. and Mrs. Lair were at the clubhouse Wednesday night to pay their respects and congratulate the happy couple on their golden wedding anniversary. Many others visited them at their home during the day.

Dr. Lair, 78 years young, and Mrs. Lair, 72, were born in Arkansas and lived in that state until 1912 when they moved to Florida. In 1917 they were among the earliest pioneers to settle the east shore of Lake Okeechobee and start the struggle of developing the rich but untamed Everglades into one of the most productive farming areas in the world.

Dr. Lair was a practicing physician in Arkansas but retired from this profession two years before coming to Florida. He was in the vegetable farming business in

the Glades area until five years ago. He was president of the Bank of Pahokee from 1926 to 1936 and his bank was one of the few in the state that came through the crisis of 1933 unscathed. He was also a member of the state board of drainage commissioners during the Carlton administration and was one of the first city commissioners of Pahokee. Active in church work since arriving in the Glades, he assisted in the building of the Pahokee First Methodist Church of which he is a member. Dr. Lair, one of those alert and active men who doesn't know the meaning of the word, "retire," is now associated with his son, Marshall Lair, in the operation of the Western Auto Supply Store in Pahokee.

Mrs. Lair has also been very active in church and mission work in the Glades area. She is a member of the First Methodist Church and has been honored by having one of the circles of the Woman's Society of Christian Service named after her.

The Everglades News takes his opportunity in joining the many others in congratulating Dr. and Mrs. Lair on their golden wedding anniversary and wishing them many more years of happy married life.

Camera Club Has Meeting At Jupiter

The West Palm Beach Camera Club had a field day at DuBois Camp at Jupiter Monday afternoon when Miss Ann O'Connell of Canal Point posed for hundreds of pictures. More than 25 amateur and professional photographers, members of the club, took pictures of the young model from the shore of Lake Okeechobee who has made her mark among outstanding models of the country. She is at present with Burdine's in Miami Beach. Pete deMoya is president of the Camera Club.

County Election Shows Few Upsets

Democratic voters by their votes Tuesday, registered the most outstanding upset of the campaign by defeating veteran W. E. Roebuck for the office of county solicitor he has held for a quarter of a century and approving T. Harold Williams, young attorney, for the post.

Talliations gave incumbent Sen. John R. Beacham a slight lead of 78 votes over Egbert Beall, and in the sheriff's contest Emory Pickren appeared to be assured of a runoff against incumbent John Kirk, high man.

Following the conceding of the election by his opponent, Williams voiced his appreciation of support. On the eve of taking a short trip to visit his father in Lake City, he said today he would continue as city commissioner until he takes over his new office, which under the law would be after Jan. 1.

The same voters also supported Judge R. P. Robbins, long time magistrate of the county court, by returning him to office and defeating contender E. A. Lake, former city judge; they returned J. A. Arnette to office as circuit court clerk over L. C. Bills; gave DeWitt Upthegrove a gratifying vote of confidence for his first term in office by giving him a heavy victory over E. W. Scramlin.

Howell L. Watkins, for years supervising principal at Palm Beach High School was assured the post of county superintendent of public instruction without need for a second primary by polling a higher vote than his two opponents, George McCampbell and Jack Sutor.

Democratic voters also joined the State trend by supporting Dan McCarty for governor with Fuller Warren second in county totals, while other State offices followed more or less a similar trend.

The unofficial tabulations for all of the county's 45 precincts in major offices follow:

State Senator: Beacham, 9,319; Beall, 9,241.

County Solicitor: Williams, 11,347; Roebuck, 6,899.

Supervisor of registration: Upthegrove, 11,659; Scramlin, 3,722. School superintendent: Watkins, 9,376; McCampbell, 4,508; Sutor, 3,750.

Governor: McCarty, 9,863; Warren, 3,941; Colin English, 2,766; Tom Watson, 1,792; others scattered.

Dade Quartet Will Visit Pahokee

A short time ago there appeared on a program in the First Baptist Church of Pahokee, the Dade Quartet of the Miami area. This is one of the newer musical groups of South Florida. Their singing easily vies with that of other quartets which have presented programs here. They know how to harmonize, as those who have heard will testify, with a special tribute to the bass singer, Joe Newbern, whose "low down" voice is much to be appreciated.

The second tenor and director of the group, Sam Boring, first tenor Bert Fife, baritone Luke Powers and pianist Mrs. Hazel Gayin, complete the organization. A most cordial invitation is extended to all interested to attend the Sunday night program, at eight o'clock, First Baptist Church of Pahokee, to hear this group in an hour of "songs you like to hear", with the theme of mother emphasized.

Mr. and Mrs. Howard Holman left last week for Pocomoke City, Md., where they will spend the summer.

WSCS Meeting Held Tuesday Afternoon

Mrs. W. K. Buchanan was hostess to the WSCS at its regular meeting on Tuesday with Mrs. C. L. Stuart in charge. Delegates reported on the state conference of the WSCS held recently in West Palm Beach and the state meeting of the Council of Church Women in Winter Haven.

Potted palms and floor baskets for the church have been purchased from proceeds of the food sale on April 17.

Tuesday, May 25, was the date announced as the date for the all day book study, "Committed Unto Us." Delicious refreshments of ice cream and cake were served during the social hour.

Mrs. Lauce Thompson, who has been visiting her brother, Will Guthrie and family, in Miami while taking medical treatment in that city, has returned to the home of her parents, Mr. and Mrs. I. S. Guthrie, in Pahokee.

Mr. and Mrs. V. C. Denton have as guests their cousins, Mr. and Mrs. Swack, of Tennessee.

From where I sit... by Joe Marsh

"What's Your Opinion, Mister?"

Fellow from one of those public opinion polls was in Andy's Garden Tavern, querying Andy's patrons on everything from that "new look" to the next election.

And it occurred to me that there's nothing more typically American than collecting other folks' opinions, as well as giving out with one's own. And from where I sit, it's a mighty healthy habit.

So long as people can discuss both sides of a question that comes up—whether it concerns short skirts versus long, beer compared

with cider, or the larger issues of party versus party—we're sure of the individual liberty that has made this country great.

For it isn't differences of opinion that matter. The important thing is tolerance for differences of opinion—whether they affect the right of an individual to vote, to speak his mind, or enjoy a glass of beer. They're all parts of the freedom that we cherish!

MEN'S BIBLE CLASS

Last Sunday's session of the Pahokee Men's Bible Class was one of the best in a long time. The large attendance was the joy of the hour. Six years of consistently splendid interest has been and continues to be the encouraging note of the group. Men delight in the teaching of the Bible. Rev. Moborg's "give them the book," has not as a program gone amiss, a tribute to the listening desire of the men who attended.

This Sunday the teacher will present the closing lesson on "Nehemiah the prophet." This outstanding man will continue to go down in history as one of the foremost characters of the Bible. Preceding the lesson, the Quartet will present a program. All members of the class are asked to bring their mothers. A most cordial invitation is extended to all unaffiliated men and visitors to attend. The men meet Sunday mornings in Fellowship Hall at 9:45.

Mrs. Billy Bridges is spending the weekend with her parents, Mr. and Mrs. Angus Miller, in Bartow. Mrs. Miller is convalescing from an operation performed recently at the Bartow hospital.

U. S. SUGAR CORPORATION CLOSES 1947-48 SEASON

CLEWISTON—Florida's 1947-48 sugar cane harvest ended last week when the United States Sugar Corporation's huge Clewiston plant processed the 42,473rd car of sugar cane. Except for the usual clean up and repairs the plant will be closed until the next harvest which will begin about the middle of October.

Statistics on the crop, which started November 12, 1947, were not available but Sugar Corporation officials stated this year's production would be lower than former years because of the severe hurricane and resultant floods last fall which damaged several thous-

and acres of sugar cane.

The harvest officially closed last Saturday with a barbecue for Eastern Division employees at Bryant, and a barbecue and the crowning of King Cane II and Queen Sugar II at Clewiston on Thursday, May 6.

CLERK OF THE CIRCUIT COURT

(Paid Pol. Adv.)

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employees reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

THE LEADERS of three railroad unions, representing less than one-tenth of all railroad employees, have called a railroad strike that would paralyze the nation.

These leaders refuse to accept a 15 1/2 cents an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman.

This increase of 15 1/2 cents already has been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Engineers, and the Switchmen's Union of North America won't accept what more than 90% of all railroad employees have accepted. They have called a strike to get more!

Unions refuse rules discussion

Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied.

On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them! These union leaders have refused to negotiate except upon these arbitrary terms.

Greater wage increase not justified

Engineers and firemen are among the highest paid of all employees in America, as figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received.

Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's Board

after hearing evidence for 33 days, made recommendations based on all the facts in the case. The railroads have accepted these recommendations.

Who's to blame?

Although they deplored so large an extra cost burden, the railroads accepted the report of the Board because they felt it was in the public interest to uphold the spirit and intent of the Railway Labor Act.

In contrast, this small group of railroad union leaders are attempting to flout the intent and spirit of the Railway Labor Act, and dictate their own terms.

They have dictated a paralyzing railroad strike.

You will be the victim!

How long will the American public stand for the undemocratic, arbitrary, and abusive use of the right to strike and the disregard of the obligation to provide transportation? How long can the American people permit a few dictatorial union leaders to defy the processes provided for peaceful settlement of disputes?

Force seldom produces settlements that are either fair or lasting. Moreover, a point is often reached when personal interests must be held subordinate to the greater public welfare. That is why the railroads have accepted the Emergency Board recommendations. That is also why the leaders of these three unions should reconsider their decision to call a paralyzing strike.

Compare these wages with what you make!

Mothers Will Be Honored By Baptists

To the many who are giving serious consideration to the matter and as friends acknowledging Jesus Christ as Saviour, please let it be known the First Baptist Church of Pahokee is praying that the victory desired shall be won. This Sunday, Mother's Day, would be a most appropriate time for this act, surely no better way to honor God's precious gift to the world, "the hand that rocks the cradle."

Ten mothers will be recognized, five members of the church and five non-members, namely, the old-

est, youngest, most children, oldest child and youngest child present. The class quartet and ladies trio will sing. The special program will close with a short sermon by the pastor.

Yes, last Sunday was "one of those days." The kind that cheers the heart of the pastor and all interested. Beginning with a large Sunday School, followed by a more than capacity congregation at the eleven o'clock preaching hour, with a most enjoyable two hours of church business fellowship by the pastor and deacons in the afternoon, the day closed with a well attended Training Union and capacity attendance the night preaching service.

Mr. Hamilton is a student at the Duke University Medical School. The wedding is scheduled to take place on June 26.

Mrs. Paul Rardin is at the home of her parents, Dr. and Mrs. W. O. Strickland in Glennville, Ga., where she is recuperating from a recent illness. Her many friends will be glad to know that her condition is greatly improved over a week ago.

Mrs. D. L. Friend was installed president of the Canal Point Parent-Teacher Association for the second consecutive year at the final PTA meeting of the current school year held Monday night in the school auditorium. Other newly elected officers inducted were D. L. Friend, first vice president and program chairman; Mrs. Wilma Lence, second vice president; Mrs. Boyd Vorhees, secretary; Mrs. D. L. Hooks, treasurer, and Mrs. E. E. Conners, historian.

Mrs. Boyd Vorhees, Girls 4-H Club leader, announced that the annual achievements day exercises of the Canal Point Girls 4-H Club will be held at the Canal Point school on Wednesday, May 12, starting at 9:45 a. m., with the public cordially invited to attend.

Rev. William T. Blair, cubmaster of the Canal Point Cub Pack, which is sponsored by PTA but has been inactive for several months, reported that the reorganization of the Pack has been completed and that regular den and pack meetings are now being held.

The Rev. Blair offered to the school the use of a phonograph

record player and PTA voted \$30 to be used for the purchase of a number of selected records. Mrs. Friend named A. Q. Howell, J. G. Weeks and T. W. Griffith on a committee to select and purchase a large clock for the school.

D. L. Friend, program chairman, introduced Carmen Salvatore, Sr., local member of the County School Board, who explained to PTA members the countywide school improvement bond issue to be voted on by freeholders of Palm Beach County on May 18. Mr. Salvatore urged a good turnout of voters in this area, pointing out that 50 per cent and one freeholder must vote in the election in order for it to be effective.

The history of the local PTA was outlined in a talk by Mrs. E. E. Conners. Mrs. Lence's first grade pupils presented a playlet, "Kiddies Carnival," and won the monthly attendance banner.

During the social hour following the meeting refreshments were served by Mr. and Mrs. Friend, Mrs. A. H. Scruggs and A. Q. Howell.

Mr. and Mrs. J. G. Weeks had as guests the past week their son-in-law and daughter, Mr. and Mrs. V. Atkins of Sanford.

Point Plan Special
Program Sunday

"The Ones Who Depend on You" will be the theme of the Mother's Day Sermon in the Morning Worship Service of the Canal Point Methodist Church on Sunday. The text comes from Romans 14:7, "None of us liveth to himself, and no man dieth to himself." As is our custom in past years, the oldest mother, the mother with the youngest baby, and the mother with the most children will be recognized in the service.

In the evening service, the fellowship of the Lord's Supper will bring us together. The short communion meditation will be on "The Garden of the Unforgotten". Prayer Meeting meets on Wednesday at 7:30 in the parsonage. Choir practice is a 8:15 following the prayer meeting.

A Beach Party by members of the Junior Fellowship will take the group to Boca Raton for a picnic lunch on Saturday. After lunch we shall have an afternoon of swimming at Lake Worth. The truck will leave the parsonage at 8:30 and we shall plan to return by 6:00.

Doughnut Day is May 15! The M. Y. F. plans to make and sell doughnuts on Saturday, May 15 to raise funds to cover its pledge to the new Sunday School Building. Orders are being taken now by the following young people: Max Wilson, Billy Jernigan, Mary Helen Hooks, Stanley Hooks, Elwood Dart, Patsy Maxson, Harold Hayes, Gene Buchanan. Other M. Y. F. members may get their order blanks at the parsonage. Orders are taken in advance for doughnuts to be delivered on the above date.

The Young Married Fellowship will enjoy what will probably be the last outdoor meeting of the summer at the Joe Parkers on Friday, May 14 at 7:30. A real old barbecue is planned by the hosts: the Parkers and the Earl Maxsons. All members are urged to tell the hosts if they plan to be there.

Another all-time attendance record smashed last Sunday when the mark of 138 was chalked up in Sunday School. Leaders in the contest, the Junior Boys, forged far ahead of the other classes which are virtually tied for second place. The Boys are almost to their Flying Boats!

Mr. and Mrs. W. A. Cross, Jr., and daughter, Kay, have moved to Melbourne where Mr. Cross recently transferred by the U. S. Navy.

CHURCH OF CHRIST, SCIENTIST

"ADAM AND FALLEN MAN" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, May 9.

The Golden Text is: "If thou return to the Almighty, thou shalt be built up, thou shalt put away iniquity far from thy tabernacles" (Job 22:23).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Lord, make me to know mine end, and the measure of my days, what it is; that I may know how frail I am . . . And now, Lord, what wait I for? my hope is in thee" (Psalms 39:4, 7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The human mortal mind, by an inevitable perversion, makes all things start from the lowest instead of from the highest mortal thought. The reverse is the case with all the formations of the immortal divine Mind. They proceed from the divine source; and so, in tracing them, we constantly ascend in infinite being" (189:18).

I deeply appreciate the excellent support I received at the hands of the voters in the Pahokee City Election and in which I was made a member of the Council. I will endeavor to carry out the duties of the office to the best of my ability.

I. J. Frasure, Jr.

With Your Help We Will Carry On!

National Guard To Seek Enlistments

ST. AUGUSTINE — Florida's National Guard has put out an urgent call to all of its 73 units to step up a recruiting drive immediately in an effort to keep pace with the nation's security time table.

At the same time, state headquarters reported that it had been informed by Major General Sumter L. Lowry upon returning from Washington that "it is almost certain that a Selective Service law will be passed immediately. General Lowry is commander of the Guard's 51st Infantry Division."

Florida has been one of the leading states in obtaining enlistment in the National Guard; but in April and since the draft and Universal Training has been in uncertain stages, enlistments have slowed down to a "trickle." At the same time, the Guard has been losing men to the regular services.

It is expected the trend may change now because the bill now pending states that individuals between 18 and 20 years of age, who are members of the Guard at the time the law is passed, will not be drafted.
